

BAG CUTTER

Product Specification

Product Name:	Bag Cutter
Manufacturer Part Number(s):	BC-01, BC-02
Description:	Bag cutters are available in two styles. The orange style bag cutter offers an automatically retractable safety blade guard with fold back cover and the newer yellow hook style cutters are disposable with no blade changes required for either style. Excellent for opening raw material packages. Manufactured at Micronova's Torrance, CA facility. Designed for clean and controlled environments.
